The United States has filed a notice (filing no. 93) noting the Supreme Court's decision in *Beckles v. United States*. The United States further asserts that the holding in *Johnson*, therefore, does not apply to the Guideline issues raised by the defendant in this case. Accordingly,

IT IS ORDERED that:

- (1) If the defendant disagrees with the government, the defendant shall file a notice of disagreement together with a supporting brief no later than April 3, 2017.
- (2) If no notice of disagreement and brief are filed by the defendant, the pending § 2255 motion in this case will be dismissed without prejudice.
- (3) If a notice of disagreement and brief are filed by the defendant, I will issue a decision determining whether *Beckles* is dispositive.

DATED this 24th day of March, 2017.

Senior United States District Judge
